

THE SCOTTDALE COMMUNITY, CIVIC & INDUSTRIAL ASSOCIATION

INVITES YOU TO BECOME A SUPPORTING MEMBER

SCCIA is providing help for new and established businesses in the Southmoreland Area with aid in obtaining financing for startup and capital improvement through both private and government sources.

SCCIA requests your involvement to support our community, civic groups, businesses and industries by becoming a member. Originally a small group banding together to keep streetlights on in Scottdale during the Great Depression, it evolved to construct income based housing, known as, Scottmor Apartments in the 1980's. Today this organization supports the town through small business loans and community projects.

This year, we secured a Police Shield for the Scottdale Police Department and collaborated with a local artist and Southmoreland students to create an art mural at our Train Station. We have partnered with the Scottdale Historical Society and Scottdale Borough for other community projects and we need you!

Individuals and small business memberships are \$25.00 for a calendar year. Banks, industry, and corporations are \$100.

To accept this invitation, complete the attached application with a check and return it to SCCIA, PO Box 533, Scottdale PA 15683. You will receive an acceptance letter. Call 724-887-9310 with questions.
